1. The first thing I noticed when I stepped  
out of the car was the cold. It was a  
sharp contrast to the warm blanket I had  
been sitting under. The air was crisp and  
clear, and I could see the snow-covered  
trees in the distance. I took a deep  
breath and felt a sense of peace wash  
over me. It was a beautiful morning,  
and I was lucky to be here.

12.

2. The second thing I noticed was the  
silence. It was a quiet, peaceful  
silence, the kind that makes you  
listen to the world around you. I could  
hear the soft crunch of snow under my  
feet, and the distant hum of traffic.  
It was a strange feeling, but I liked it.  
I had never before felt so at one with  
the world. It was a moment of pure  
joy, and I was grateful for it.

13.

3. The third thing I noticed was the  
light. It was a soft, golden light, the  
kind that makes you feel like you're  
in a dream. The sun was low in the  
sky, and its rays were filtering through  
the trees. It was a beautiful sight,  
and I was lucky to see it. I had never  
before seen the world in this light. It  
was a moment of pure magic, and I  
was grateful for it.
